8 day program @ the studio

Days 1,3,5,7 - Suzanne and Keti teach techniques, pattern, creative application and troupe choreography for stage. Suzanne works with teaching A-Z to both troupes and individual students, while Keti helps you improve your A-Z teaching skills and delivery to the level where you can competently run A-Z PT courses worldwide.

Day 2,4,6,8 - Suzanne and Keti show teaching techniques, pattern, creative application, Paola teaches use of various props for A-Z routines, including cane, veil, sword, shamadan and zills for dynamic choreography skills.

More about these courses – enjoy dancing in great studios in Imbaba and Zamalek, with wooden floors and mirrors. The hall pictured (above) is the main learning venue. Outside there is a big, private garden where we have lunch each day. You can order your delicious lunch in the morning during class, then we have lunch outdoors in the garden. The prices are great too – in true Egyptian style!

Accommodation - Dancers can arrange their own accommodation at one of the nearby hotels to suit their budget. The hotels in Zamalek would be suitable. Keti can suggest several hotels, email keti@ketisharif.com.
